# Service Agreement Contract

## Terms

### Payment methods

Payment will be made via Venmo, cash, check, an approved payment card, or by any other payment method determined.

### No refunds

The Customer agrees to have accepted the goods unconditionally at the time the dress is taken from my home. Please check the dress over carefully before you take it home. I want it to be as lovely as you do. I am not responsible for body fluctuations that happen before, during or after you have taken the dress. New alterations that involve you bringing back the dress will be charged as new services.

### Termination of contract

The Contract ends on when work is finished and the client takes dress, unless one of the parties ends the contract before that time. If one of the parties chooses to end the Contract prior to Project completion, the Client is responsible for paying for all work and costs incurred up until that date.

### Sole liability

I am an independent business and bear sole liability for all services performed. This liability is limited to the total amount charged for the services rendered, not the replacement of dress.
